HONORS & AWARDS

I have been a lot of times on the newspaper of school about achieving the most outstanding achievements in the exam subjects in many semesters and I was selected by the teacher to be the team leader for each semester.

2014-2017

I used to build projects by Java Swing, Java Entity Framework, Android. Besides I used to study about Java Spring, Java EE, ...

Especially, I have 2-year experience about Java Entity Framework, SQL Server for projects in university and

outside.

Moreover, I used to develop the project by IOT through Android studio and Arduino.
